What is The GendeX Fund?

The GendeX is a mutual fund that we launched for the Next Generation of investors. You, mainly. You're 18. You're 26. You're 32. You're a fashion designer. You're a lawyer. You're a freedom fighter. You're married. You just graduated. You just started a new job. You just had your first child. But you don't have a financial plan. Maybe because no one has spoken your language before now.

This fund was created to let you take the reins of your finances, by showing you that you can use what you already know in your everyday life to get involved in the stock market and not have to sacrifice your current lifestyle to make an effort to grow your life savings.

Equity Securities are more volatile and carry more risk than other forms of investments, including investments in high-grade fixed income securities. The net asset value per share of this fund will fluctuate as the value of the securities in the portfolio changes. An investor should consider the investment objectives, risks, charges and expenses of the Fund carefully before investing or sending money. The prospectus contains this and other information about the Fund. You can also obtain a prospectus by emailing to info@thrasherfunds.com or calling (866) 343-9178. The prospectus should be read carefully before investing.

The GendeX Fund is distributed by Foreside Distribution Services, LP. Thrasher Capital Management, LLC and Foreside Distribution Services, LP are not affiliated.

The Details
